

SENIOR ACCOUNTANT

Endurance Wind Power is a fast growing clean energy company with a reputation of industry leading quality and service. We are seeking a full-time Senior Accountant to join our team at our South Surrey facility. This position offers an opportunity to get involved in all aspects of finance for a rapidly growing organization, with enormous room for advancement. For more company information, please visit our website at: <http://www.endurancewindpower.com/>

Responsibilities:

- Daily accounting operations, including intercompany transactions
- Month-end account reconciliations and processing
- Preparation of internal management reports and budgets
- Preparation of monthly and quarterly financial information for management, board, shareholders and bank
- Manage the year-end audit process – draft financial statements, audit working papers and liaise with external accountants
- Manage funding projects, including SR&ED and IRAP
- Cash management, including foreign exchange transfers
- Establish and maintain financial controls and procedures
- Assist with department recruiting and training
- Supervising of Accounting Clerk(s)
- Other ad hoc projects

Requirements:

- CMA/CGA designation or equivalent education and/or experience
- Full-cycle accounting experience with knowledge of GAAP
- Cost accounting and revenue recognition experience
- Previous experience with an entrepreneurial and/or manufacturing company
- Previous 'Transfer Pricing' experience is an asset
- Experience with ERP system in a manufacturing environment
- Strong MS Office skills – particularly Excel
- Excellent communications skills – both verbal and written
- Extremely organized with meticulous attention to detail
- Ability to prioritize, multi-task and handle pressure in order to meet deadlines

Salary negotiable based on experience
